# PROTECT PALM COTTAGE IN PERPETUITY!

Naples Historical Society purchased the property adjacent to Historic Palm Cottage in March 2021. With this property to the east of the Cottage and The Norris Gardens at Palm Cottage to the west, we have flanked Naples oldest house protecting it in perpetuity. This significant action will benefit the community for generations to follow!

Our plans are to make this property accessible to the public!* The building will be converted to showcase a series of relevant museum exhibits, and the landscaping will feature a meandering walking path that includes "stations" that chronicle Naples history.

**Want to participate in this important community endeavor? Support Naples Historical Society with a fence picket (12th Avenue South, The Alley, and fence interior locations)!!**

Dedicate your picket to a loved one, your family name, or whomever you would like to see memorialized on a plaque on the fence that surrounds the Society's new property:

163 12TH AVENUE SOUTH.

## $200 per picket: 1 form per order

***Note: Public access will not be permitted until the property has been re-zoned and re-development is completed (projected: fall 2023).***
