**BILL BARNETT**  
MAYOR

May 22, 2017

Elaine Reed – President & CEO  
Naples Historical Society  
P.O. Box 201  
Naples, FL 34106

Elaine,

I have received your correspondence of May 19, 2017 and discussed the contents with the City Manager's Office. While there are a number of issues that take precedence between now and City Council's summer recess, City staff understands that this issue is a priority for the community and I have confirmed that they will treat it as such. They will make sure that there are no unnecessary delays or procedural complications while still meeting our legal and legislative obligations. I am told that staff will contact you for a meeting in the next three weeks.

Congratulations on your success in addressing a long standing and controversial issue.

Sincerely,

Mayor Bill Barnett
