

Richard G. Prebish, II
Society Chairman of the Board

Richard is a residential real estate broker with the William Raveis Real Estate organization in Naples, Florida. For years, Richard and his business partner, Tom Campbell, have been involved in many of the most significant luxury residential real estate transactions in Naples.

Richard initially became involved with Naples Historical Society as a result of his passion for history, in general, and, in particular, his love for the “cottages” within the Naples Historic District. That passion led to participation in various “Naples Historic District Advisory Round Table” discussions and eventually leadership positions on the Board of Directors.

Richard and his wife, Stephanie, have resided in Naples since 2004 where they raise their two daughters. In addition to the Society, Richard and Stephanie are supporters of the Conservancy of Southwest Florida, Captain’s for Clean Water, and the Community School of Naples.

Richard and Stephanie obtained their bachelor’s degrees from the University of Michigan, where Richard also obtained his master’s degree from the School of Public Health with a focus in epidemiology and genetics.
